Local Leadership: One Woman's Successful Journey as an Immigrant and Entrepreneur
Fall 2009

"Our success in management excellence is not our victory alone. It is a reflection of our commitment to break down barriers for the many clients who have knocked on our door at a crossroads in their lives."

Brighter days ahead after lay-offs

Former garment workers prepare for jobs as health-care aides

April 3, 2009

Calisto-Tavares said that earlier on the students would "hit the wall" — becoming panicked, frightened that they could not succeed. "We'd always say to them, 'Borrow our courage. Until you can stand on your own, we're right there with you.' "

It's a WIN-win situation

Program matches skilled immigrants with employers

April 4, 2008

"People really feel this is a great solution to connecting immigrants to the high-demand occupations and moving them from being underemployed to employed at a level they should be.", said Eddie Calisto-Tavares, Manager of Workplace Integration of Newcomers (WIN) pilot project, managed by her company Options for Success.
